Archer Drive, Mickleover

Mikaela says:

"This home offers a modern layout and a neutral kitchen and bathrooms, so you can really put your own stamp on it! To the front there are two side by side parking spaces which is great and a generous garden to the rear. Inside, there's a spacious living room which is bright and inviting. The modern kitchen diner spans the back of the home, with patio doors out to the low maintenance garden and a separate small utility area, as well as a guest WC. Upstairs there are two generous double bedrooms, with bedroom one having an en-suite and bedroom two benefitting from a useful storage cupboard. There's a good sized family bathroom too. My favourite part of this home is the location. Close to everything you may need in Mickleover and on a popular estate, you're close to road links too. A great purchase for a first time buyer or an investor!"

A message from the seller:

"Hello and welcome to our home. We have made a very reluctant decision to sell this house as we have raised our family here over the past 5 years. We have had a lot of time to explore and find new things around Mickleover and especially walking towards Kedleston and also towards Hilton. There is a nice park on the estate that is good for children and access to many walking paths that lead to Derby, parks such as Mickleover Meadows and more."
