Church Mews, Hatton

Sam says:

"This home has such a cosy welcoming feel about it. There's a handy porch area as you walk in, perfect for taking off shoes and coats! The living room is spacious with light coming in from the bay window at the front, along with some handy under stairs storage. and it flows really nicely into a kitchen diner to the back of the house. The kitchen has plenty of cupboards and countertops as well as space for all of your appliances and a dining set. The doors that lead out from the kitchen to the garden are great, it would be nice to have those open in the summer to enjoy the outdoor space.

Upstairs, the bedrooms are a great size. The master spans the width of the house and there's so much room for wardrobes, as well as a separate cupboard space. The second bedroom is a good size too and there's also a nice family shower room! My favourite part of this home has got to be the position, tucked away in the cul de sac, with pathways through the middle of the houses with beautifully presented borders and shrubbery. The garden is an easy to maintain space, block paved and edged with flower beds. From the garden you have direct access to the garage as well as rear access. As well as the allocated parking behind the garage, there's plenty of parking nearby too!"
