The Tour :

Stace Close is a private cul-de-sac of just four individual homes, with this property enjoying a central position within the close. To the front is a neatly lawned garden and generous parking for several vehicles, in front of an attached double garage. An EV charging point provides a welcome modern addition.

The house is approached via a covered open porch with a useful external storage cupboard, leading into a welcoming and well-proportioned **ENTRANCE HALL** with built-in storage and turned staircase.

Directly ahead, the **KITCHEN** overlooks the mature rear garden through a large picture window. Fitted with modern high-gloss white units arranged along three walls, it includes integrated appliances such as an eye-level Neff double oven and a Neff five-burner gas hob.

Adjoining the kitchen is a practical **UTILITY / BOOT ROOM**, ideal for keeping everyday life organised without encroaching on the main living spaces.

Next to the kitchen is the **DINING ROOM**, currently incorporating a home lift to the first floor.

This thoughtful feature offers excellent future-proofing, while the room itself could also be opened into the kitchen to create a more sociable open-plan space, subject to the necessary consents.

The **SITTING ROOM** sits at one end of the hallway and provides a comfortable and relaxing space, centred around a stone fireplace with inset gas fire. French doors open directly onto the garden, allowing for easy indoor-outdoor living. In addition, there is a large, light-filled **STUDIO** space with garden access, offering excellent flexibility as a hobby room, studio, or occasional guest space, along with a cosy den / **SNUG** situated at the other end of the house.

A turned staircase leads to the **FIRST FLOOR** where there is a built-in airing cupboard and access to the loft.

The **PRINCIPAL BEDROOM** is positioned to the rear and benefits from a generous **EN-SUITE SHOWER ROOM** and extensive built-in storage.

TWO FURTHER DOUBLE BEDROOMS also offer built-in storage, while the **FOURTH BEDROOM**, currently used as a study, would make an ideal office, dressing room or nursery.

The lift from the ground floor opens into this room, enhancing the home's accessibility. A **FAMILY BATHROOM** completes the accommodation.

OUTSIDE

A generous rear garden unfolds behind the house, thoughtfully designed to be both attractive and low maintenance. Artificial grass ensures year-round ease with no need for mowing, while mature ornamental trees create dappled shade and a pleasant sense of seclusion around the garden's edges. Close to the house, a slab-laid terrace provides an ideal spot for outdoor dining and entertaining. There is also plenty of room for outside storage, which currently includes a summer house and garden shed.
