# 39 Fairacres Road

Iffley Fields, Oxford OX4 1TH

A handsome and generously proportioned three-bedroom period home with a south facing garden located in the popular Iffley Fields area of East Oxford.

The house is in need of modernising but has charming original features prominent throughout. There is the potential to extend the house on the ground floor and into the loft (subject to the usual consents) to create an incredibly spacious family home. The ground floor accommodation comprises an entrance hall, a large “knocked-through” reception room with box bay window and original fire places, a dining room, and a kitchen.

On the first floor there is a master bedroom with box bay window to the front, two further double bedrooms and a family bathroom.

To the rear of the property is a south facing garden mainly laid to lawn with a large shed.
