46 Oakfield Avenue

East Wittering, Chichester

The ground floor offers an excellent flow, with hardwood flooring and exposed beams adding character throughout. The front living room is light and inviting, featuring a bay window with bespoke shutters and a log burner, perfect for colder months. The property has been extended to the rear, creating a bright and flexible open-plan living and dining area. French doors open onto the garden, and together with the front bay window, fill the space with natural light.

The kitchen is fitted with sleek, modern units, a ceramic hob, double oven, integrated dishwasher, and generous worktop space. Spotlights provide practical lighting, while a separate utility area keeps laundry appliances tucked away. A ground floor cloakroom with built-in storage completes the downstairs accommodation, with potential to create additional utility space if required.

Upstairs, there are two bedrooms, the principal bedroom is a generous double with built-in wardrobes and windows to both the front and rear, while the second bedroom overlooks the garden. A modern shower room serves both rooms, finished with attractive duck-egg tiling and a large walk-in shower.

The rear garden is mainly laid to lawn with mature hedging providing a good level of privacy. One of the standout features is the two-bedroom static caravan, discreetly positioned behind a halfway hedge. It includes a living area, shower room and kitchen, ideal for holiday letting, guest accommodation or additional workspace. A detached garage offers further storage, and a rear gate gives easy access to the Wittering Arcade and village centre.
