Cook Residential is delighted to present this unique freehold period property, currently arranged as three individual flats but now offered as a single freehold sale. Dating back to the late 1800s, this substantial residence boasts a wealth of character and versatility, offering the potential to retain its current layout or reconfigure it to suit various needs. The building includes a duplex apartment spanning the basement and ground floors and two self-contained apartments on the first and second floors. Benefiting from a private courtyard garden and off-road parking to the front, this property presents a fantastic investment opportunity.

Please note: A residential mortgage is not available for this property.

Upon entering, the property is arranged over four levels, currently configured as apartments. The basement and ground floor have been combined to form a duplex apartment, but they were previously two separate dwellings and could be split back into individual properties if desired. The first and second floors each offer self-contained apartments, providing flexible living arrangements.

Basement Level (Part of Duplex Apartment) The basement level provides excellent living space, featuring two bedrooms, a bathroom with a bath, a separate walk-in shower, WC, and sink, as well as a separate workshop/storage area. Bedroom one enjoys a front bay window aspect and generous built-in storage, creating a bright and airy feel. Bedroom two is also well-proportioned, with built-in storage. A kitchen/utility area serves this level, offering additional functionality.

Ground Floor (Part of Duplex Apartment) The ground floor offers a spacious reception room with a large bay window, high ceilings, and period detailing. A third double bedroom with built-in storage is also located on this level. A separate dining room leads into a fitted kitchen, which provides ample cabinetry and worktop space. There is also a shower room with a WC and sink.

First Floor (Self-Contained Apartment) The first-floor apartment features a sitting/dining room, a separate kitchen, two double bedrooms, and a bathroom with a shower over bath, sink, and a separate WC. Bedroom one is a spacious double with built-in storage, while bedroom two is positioned at the rear of the property. This apartment enjoys a pleasant outlook.

Second Floor (Self-Contained Apartment)

The second-floor apartment benefits from a sitting/dining room with a front window aspect, a separate kitchen, a double bedroom with built-in storage, and a bathroom fitted with a bath, WC, and basin. This property also enjoys a pleasant outlook.

Outside Space To the rear of the property, a private courtyard garden provides a low-maintenance outdoor area, perfect for relaxation. Off-road parking is available to the front, adding to the convenience of this fantastic opportunity.
