## 87 Hawthorn Crescent

Yatton, Bristol

Tucked away in a peaceful cul-de-sac, this beautifully presented four-bedroom detached family home offers generous living accommodation, ample storage throughout, and a sizeable, well-maintained garden, making it an ideal choice for families seeking space, comfort, and versatility.

Upon entering the property, you are welcomed by a wide and airy hallway. To the right is the spacious sitting room, filled with natural light from a large walk-in bay window. A gas fire creates a warm and inviting focal point, perfect for relaxing evenings.

The second reception room, originally the dining room, is now used as a cosy snug. This comfortable and versatile space opens directly into the conservatory via sliding doors.

The conservatory is a bright and tranquil retreat with lovely views over the rear garden. Recently upgraded, it benefits from a new roof and flooring, as well as underfloor heating. A large internal opening connects it to the kitchen, creating a natural flow between the spaces and a seamless connection between indoor and outdoor living, making it ideal for year-round enjoyment.

The expansive kitchen is the true heart of the home, offering extensive cupboard storage, room for a large oven and fridge, and plenty of space for a family sized dining table. An adjoining utility room adds further practicality, with space for a fridge freezer and washing machine, along with plumbing in place for an additional sink.

Also on the ground floor is a useful under-stairs cupboard, ideal for coats and shoes, alongside a convenient downstairs cloakroom.

Upstairs, the property boasts four well proportioned bedrooms. The principal bedroom is a bright and spacious retreat, featuring a striking feature window, deep fitted wardrobes, and a stylish en-suite bathroom with walk-in shower, WC, and sink. Two additional double bedrooms overlook the rear garden, each offering comfortable accommodation. The fourth bedroom is currently used as a home office but could easily serve as a single bedroom or nursery. A modern family bathroom serves these rooms, complete with a bath with a shower over, WC, and basin.

### Outside

The generous rear garden is a real highlight, offering a lovely space for entertaining and relaxation. A built-in barbecue makes summer dining easy, while a side lean-to offers additional sheltered storage. Two outdoor taps and convenient side access add further practicality. A thoughtfully converted section at the rear of the garage now serves as an office with separate access, fully insulated and equipped with electrics and central heating, making it perfect for remote working or creative hobbies.
