The kitchen is a bespoke Hockley design with sleek cabinetry and integrated appliances, including a double oven, microwave, ceramic hob, extractor hood, dishwasher, and double sink. There is room for a large double American-style fridge/freezer, a 12-seater dining table, and multiple seating zones for relaxation.

Also on the ground floor is a separate family room, perfect for use as a snug, playroom, or home cinema., a large walk-in storage room, which could also serve as a study, fully fitted utility room with base and wall units, plumbing for a washing machine, and garden access, a cloakroom/shower room. Internal access to the garage for added convenience and security.

The first-floor galleried landing provides space for a home library or reading nook and connects to all principal bedrooms. The master bedroom is a true retreat, positioned at the rear of the house with patio doors opening onto a private south-facing balcony that enjoys uninterrupted views over the garden and adjoining woodland. The suite features a generously proportioned his-and-hers walk-in wardrobe and a luxurious en-suite bathroom, complete with a freestanding roll-top bath, a walk-in double shower, twin basins with under-counter storage, and a low-level WC.

The property features four further double bedrooms, a family bathroom with a bath and shower over, a basin with storage, and a WC, as well as an additional shower room for added flexibility and convenience.
