The Beech House, Ashdown Village

Forest Row

A fabulous opportunity to revitalise and transform a detached American style ranch house with extensive grounds of ten acres in the grounds of the former Ashdown House School on the edge of Forest Row, either utilising the existing building or possible replacement subject to planning permission from Wealden District Council.

This distinctive timber clad dwelling was the former Headmaster/Headmistress's house to the school and extends to over two thousand six hundred square feet (two hundred and fourteen square metres). The house is accessed by its own private driveway leading to an extensive parking forecourt and detached garage. The gardens which lie predominantly to the front of the house, comprise the former cricket pitch encompassed by mature hedging and trees, and have a pleasant south facing aspect. The property is arranged over two floors and currently comprises four bedrooms on the first floor, two bathrooms, one ensuite. The ground floor has a hallway off which is a cloakroom and further ground floor study/bedroom 5. To the rear of the house is a living room with doors opening to the gardens. There are double doors to the kitchen with adjacent utility room, a dining room which in turn leads into the conservatory, both of which have doors to the gardens.
