A well-designed and attractive three-bedroom semi-detached family Home built by Taylor Wimpy with enormous scope for further enlargement and loft conversions, subject to necessary planning permission.

The property is approached by a shared driveway leading to a private parking area and access to a single detached garage.

The property leads into a spacious entrance hallway with stairs leading to the first floor, featuring an under-stairs cupboard. The living room is a good size, featuring a bay window that faces the front of the property.

It has bespoke shelving and storage cupboards, providing ample space for a two- or three-seater sofa and freestanding furniture. The dining room has patio doors leading into the large garden again, with space for a six-person table.

The kitchen is fitted with a range of all base units, a sink unit, roll-top work surfaces, and an over-walk-in space for a fridge, freezer, cooker, oven, and washing machine.

Moving upstairs, there are two good-sized double bedrooms, some with fitted wardrobes, a further single bedroom, and a family bathroom comprising a panel bath, shower unit, sink, low-level WC, recessed spotlights, and a heated towel rail.

There is access to the large, approximately hundred-foot garden, which is made of a patio and lawn with wooden panel fencing.
