McTAGGART**
Trusted since 1947

A spectacular apartment of almost 1900 ft.² within this former chapel that has just been the subject of complete refurbishment by the owner and includes a double garage and a share of the freehold in this established no through road adjacent to Beech Hurst Gardens and within a short walk of the town centre, railway station and ancient woodland. The building was originally converted into 10 apartments around the Millennium to a very high specification by a small private developer (Living Heritage). Our client bought the property from us in 2023 and refurbishment works have included the reconfiguration of some of the internal stud walls to make a far bigger main living area, a beautiful new kitchen with all the usual integrated appliances and natural stone worktops, 2 new bathroom suites, redecoration and new floor coverings throughout and the original living room is now the main bedroom which has stairs leading up to a mezzanine level with dressing table/study area, a walk through wardrobe (originally bedroom 4) which leads to the beautiful en-suite bathroom and a separate WC beyond. The owner is emigrating so is open to selling any contents by separate negotiation if required.

The residents collectively own the freehold between the 10 owners and keep a close eye on the management of the building and have actually recently changed managing agents. There are a few areas of garden around the building with seating areas and a car parking compound with several parking spaces. Each of the 10 apartments have a DOUBLE GARAGE with twin doors, power and lighting.

The complex is approached off Bolnore Road through high iron gates which is shared with Grosvenor Hall.
