PROPERTY INSIGHT

Ensum Brown are delighted to bring to the market this rarely available two bedroom semi-detached home positioned on a generous plot providing excellent potential to extend in the ever popular village of Great Hornead and being located a short walk away from the popular local public house, The Three Tuns.

The current vendor has owned the property since the 1970's and while it has been a much loved home over the decades, it does require modernisation which provides an excellent opportunity for an incoming purchaser to add their own stamp and extend (STPP). The property is to be sold with the advantage of no upward chain and an internal viewing is recommended.

As you approach the property, you are welcomed by an attractive front garden with a pathway leading to the front door. If desired, there is also the possibility to converting this front garden into a driveway (STPP). As you look from the front garden, you will notice the excellent potential to extend, particularly to the side of the property (STPP).

Upon entering the property you will step into a spacious hallway, which has the kitchen directly in front, stairs leading to the first floor on the left and the open plan living room/diner to the right. The living room/diner is a great sized room with an abundance of light due to the dual aspect windows and there is plentiful space for both living room furniture and also a dining table and chairs. This room has an extra cosy feel when the electric fireplace is switched on, creating warmth and ambiance.

As you continue through the ground floor level you will enter the kitchen, which is a nice sized room and has views of the beautiful rear garden. The kitchen has a range of wall and base units, providing a lot of storage space, not to mention the large storage cupboard with shelves, which is the ideal larder. One of the great things about this property is the scope to extend, so if you are looking for a larger open plan style kitchen, there is ample space for a rear extension to accommodate this (STPP). To the side of the kitchen is a single storey extension which is currently used as a utility space, downstairs WC and garden room.

Heading upstairs, there is a spacious first floor landing with access to the loft which is part-boarded, two double bedrooms, and a family bathroom.

The principal bedroom is a fantastic sized double bedroom which has plentiful space for freestanding wardrobes, as well as there being a large storage cupboard which is currently used as a wardrobe. This is a beautifully bright room due to the large window which has views of the chapel in the distance. Similarly, the second bedroom is also a great sized double room with plentiful space for a double bed and freestanding wardrobes. This room has beautiful views of the countryside and neighbouring fields, making it extremely private and there is also a built-in airing cupboard.

Completing the first floor, the family bathroom is also a good size and has been fitted with a three piece suite including a bath with a handheld shower head, a white low level flush WC and white hand basin.

Going outside, there is a beautifully private rear garden which is a moments walk away from neighbouring fields. The great thing about this garden is that there are a number of different aspects, not only is there a patio area which would be great for al-fresco dining, but there are also multiple areas that are laid to lawn and separated by hedges, as well as a quaint pond being situated just to the side of the property. Not only this, but there is also space for a shed towards the end of the garden which is ideal for storing garden tools.
