THE LOCATION

The property is accessed by car from Bickland Water Road on the outskirts of Falmouth. However, the approach to Rosva Morgowr, particularly through Goldenbank, brings you to a wonderful position that might not be apparent or expected. Remarkably, the house lies in a location near Swanpool Lake and a few paces away is a short lane and walk leading to the Nature Reserve. From here, two charming and easily accessible walks take you in one direction along the woodland boardwalk through Prislow Woods to Boslowick and in the other, the streamside pathway to Swanpool Lake and the beach. Another brilliant feature of this location is having the excellent early 'til late Co-op a few minutes walk away and the convenience of Penmere railway station nearby. What a treat to take a relaxing after-work or school walk, and within a few minutes from the house, reach Swanpool beach, looking out to sea.

THE PROPERTY

We have sold many homes on this popular road, and the situation of number 25 is quite impressive, being high up with far-reaching views over Falmouth Town and yet a short walk from the beach at Swanpool. Having recently been a rental property, it is well-presented and offers enough space to be a nice family home. On the ground floor, there are two principal rooms, the kitchen/diner with a nice modern kitchen and plenty of space for a table and chairs, and the sitting room with windows on two sides and French doors out to the rear garden. Next to the staircase is a downstairs W/C (so useful for family life). Upstairs, there are three bedrooms and a family bathroom. The main bedroom had en-suite facilities, but our vendor decided a dressing room was better for them and took the sanitary fittings away...this can be easily put back for not a lot of expense. Being detached and on a corner plot means there are many windows bringing in natural light, and the plot size means there are actually three off-road parking spaces and a garage. The garden is a blank canvas and mainly laid to lawn with a sunny patio to the far corner. Being offered to the market with no onward chain, we highly recommend early viewing.
