THE LOCATION

The property is accessed by car from Bickland Water Road, on the outskirts of Falmouth. However, the approach to Mena Chinowyth, through Goldenbank, brings you to a super position that might not be apparent or expected. Remarkably, the house lies in a location near Swanpool Lake and a few paces away is a short lane and walk leading to the Nature Reserve. From here, two charming and easily accessible walks take you in one direction along the woodland boardwalk through Prislow Woods to Boslowick and in the other, the streamside pathway to Swanpool Lake and the beach. Another brilliant feature of this location is having the excellent early 'til late Co-op a few minutes walk away and the convenience of Penmere railway station nearby. What a treat to take a relaxing after-work or school walk, and within a few minutes from the house, reach Swanpool beach, looking out to sea!

THE PROPERTY

Offered to the market for the first time....our vendors bought this from new and had the builder/developer professionally open up the downstairs to make a wonderful, light and spacious living area. Upstairs, there are four double bedrooms with the master having the benefit of en-suite facilities. There is off-road parking to the front that leads to an integral garage, a good-sized garden at the rear is laid to lawn with high fencing to keep the dogs or kids in place and can be accessed via French doors in the dining area. Our vendor is relocating with his job, which means this fabulous property is offered for sale with no onward chain!
