Apartment A514, Westview 2, Wellington Road

St. Saviour, Jersey

Purpose built apartment with a spacious lounge featuring doors opening onto a balcony, this modern property presents a delightful living space. The fully fitted kitchen, complete with integrated appliances, complements the living area. Offering one double bedroom and a modern house bathroom, this light and airy abode is available from the end of November.

Situated in a convenient location (ideal for those preferring a walk-to-work lifestyle), this home also boasts the added benefit of an allocated parking space. The development also benefits from a modern spacious co-working area for the residents.

**Living**

Open plan living area, opening onto balcony and fully fitted kitchen with integrated appliances.

Sleeping

One double bedroom with large windows and fitted wardrobes. Contemporary house bathroom.

Outside

Good size balcony and designated underground parking space.

Services

Electric heating. All mains drains and water.
