1 Constantia Rise, Le Mont Sohier

St. Saviour, Jersey

Located in a very quiet and very private cul de sac overlooking the surrounding countryside is this beautifully presented family home. The current owner has, over the last couple of years, vastly improved the accommodation with new kitchen, bathrooms and large decked areas.

The accommodation, over two floors is extremely flexible in it's layout. A large reception room at first floor separates the 2 pairs of double bedrooms. There is a separate access so it could easily be closed off to the main house for a teenager or guest.

Downstairs is a great size lounge diner which has two sets of double doors opening on to a vast deck. From here are unspoiled views across the surrounding countryside and nearby lake with plenty of wildlife to look at.

Despite it's apparent remote location, the property is just a short walk from all the main schools and colleges. There is a single garage plus further parking. Gardens are terraced with numerous areas for entertaining and a flat lawned garden above.

A great house and a great location. Book your appointment to view.
