9 Chenotrie Gardens

Prenton, Wirral

Set within extensive and beautifully secluded grounds, this striking four bedroom detached home, originally crafted in 1928, offers a rare blend of character, privacy, and space. Tucked away behind mature greenery and approached via a discreet entrance, the property enjoys an enviable sense of seclusion while making a bold architectural statement.

Inside, the residence delivers an abundance of generously proportioned living areas spanning over 4,000 square feet, exuding timeless charm and elegance. Many period details remain intact, giving buyers the chance to either preserve and enhance its historic appeal or embark on a full-scale transformation, capitalising on the substantial footprint of the plot. In brief the property comprises a striking entrance hallway, four sizeable reception rooms and a breakfast kitchen with pantry. The ground floor also has a practical cloakroom and W.C. To the first floor you have a generously proportioned master suite, with large bedroom area, dressing room and en suite bathroom with free standing bath and shower cubicle. Three further sizeable bedrooms and a family bathroom. To the second floor you have a useable loft room. Externally you have a sweeping driveway leading to ample off road parking and a detached double garage. Given the impressive scale of the grounds, there is also potential for future development. While no plans have been pursued to date, the private setting and context of neighbouring properties suggest that such a project could be feasible, subject to appropriate planning permissions. Opportunities of this nature are few and far between, and we firmly believe that only by viewing the property in person can its full potential and grandeur be truly appreciated. An early visit is highly recommended to explore everything this unique home has to offer.

TOTAL FLOOR AREA : 4069sq.ft. (378.0 sq.m.) approx.
