THE LOCATION

Completed in 2003 on the former site of the fine Victorian Carthion Hotel, The Strand is one of the most sought after and exclusive developments on Falmouth's seafront and, consequently, anywhere along the extensive south Cornish coastline. The Strand is set within secure, walled and attractively landscaped gardens, which are well stocked and beautifully tended. The development occupies a prominent position, directly fronting Cliff Road, facing south, enjoying magnificent, uninterrupted, 180 degree views along the seafront, from Pendennis Castle and Point, across Falmouth Bay, to the unspoilt shoreline of The Lizard Peninsula, from the mouth of the Helford River to the infamous Manacles reef. The seafront joins the coastal path leading to the Helford River and beyond, providing spectacular walks, through areas of outstanding natural beauty. A short walk from the apartment will take you along the seafront to Falmouth town and harbourside with its eclectic mixture of national shops and independents, together with galleries showcasing local arts and crafts, as well as great places to eat and drink. Events Square has created a vibrancy to the harbourside and is a remarkable success with its quality food, fashion and sailing wear shops. The square hosts events throughout the year, such as the Oyster Festival, the celebrations of Falmouth Week and the Sea Shanty Festival as well as big name attractions.
