THE LOCATION

Antron way is a popular close of varied properties lying on the outskirts of Mabe, a leisurely 5-10 minute walk from the village shop and perhaps a 10-15 minute walk from Argal reservoir. Argal is a wonderful resource to have on one's doorstep, surrounded by sloping fields and overlooked by picturesque Mabe Church, the lake is noted for its coarse fishing, wildlife and beautiful walks including a circular walk passing through woods and meadows. Argal also has a café and several picnic and BBQ areas with well-behaved dogs welcome. Adjacent College reservoir is lovely too, and managed as a Nature reserve. Mabe is a popular village conveniently located two miles from Penryn and three miles from Falmouth harbour town and seaside. The village has an active community and good everyday amenities including an excellent primary school, with a 'good' Ofsted rating, village store, sub post office, church and pub. ASDA superstore is nearby and a bus service runs regularly to and from local towns. Falmouth's university for Cornwall (linked with the highly regarded Exeter University) is a mile away and Penryn College, with its excellent facilities is equally convenient. Perfect for those who long for a true village atmosphere but do not wish to feel overly rural, Mabe offers a strong sense of community while remaining well connected. If you are seeking village life with modern convenience, Mabe could be the perfect place for you.

THE PROPERTY

30 Antron Way was built in 1996 by respected builder and developer Colin Coade and has been in the same family ownership since. It is a spacious, detached dormer house over 1800²ft in size, with excellent proportions and practicality for comfortable family living. Set in a decent established plot this distinctive home enjoys a lovely outlook, especially from the first floor with distant elevated views towards Falmouth, Flushing, estuary and sea. There are three front facing bedrooms, the main with en suite shower room, in addition to the family bathroom.

Downstairs are separate sitting and dining rooms, the latter connected to a comprehensively fitted 13' X 12' kitchen/breakfast room. Lovely to have a utility/shower room and a cloakroom/WC downstairs as well as internal access from the double garage. All is comfortable, well cared for and equipped, although some will budget to modernise, to some degree or another which is more than acknowledged in its competitive asking price. Windows are UPVC double glazed and a gas Vaillant boiler fuels radiator central heating and hot water supply. What a chance to secure a spacious family home, without onward chain in this great village and community.
