## Bushy Farm, La Ruelle Vaucluse, St. Helier

An impressive, historic Jersey farm in need of renovation, occupying a commanding position, with sweeping views over the surrounding countryside and valley below.

Located on a quiet lane well away from the hustle and bustle - and listed as a site of special interest - the main building accommodation is on two levels and currently split into two units being the main house and a smaller one bedroom self-contained flat.

The main house comprises hallway, sitting room, living room, dining room, kitchen, scullery, study, plant room and cloakroom downstairs, plus three double bedrooms and two bathrooms - one ensuite - upstairs.

Doors from two of the three reception rooms open out to a sunny, south facing garden with only fields as neighbours!

The flat is currently accessed via external stairs and consists of an entrance hall, living room, kitchen, double bedroom, bathroom and WC.

Facing the main building is a large outhouse currently used for multi-car garaging downstairs and storage upstairs. A separate single garage is to one side and a further outbuilding previously used to house farm animals is also located within the courtyard.

Two adjoining fields totalling 12.25 vergees are let to the Jersey Royal Company. The property owns most of the woodland to the east.
