An attractive and beautifully redesigned three-bedroom semi-detached family home, located in a quiet cul-de-sac within the popular village of Cophorne.

Approaching the property, there is a block-paved driveway providing parking for several vehicles. Steps lead to an enclosed entrance canopy and into a welcoming entrance hall, which offers ample space for coats and shoes.

The spacious living/dining room extends from the front to the rear of the property and features a cast-iron log-burning fireplace with a decorative surround. The south-facing living area enjoys an abundance of natural light and comfortably accommodates 1-3 seater sofa and a chair along with additional freestanding furniture. The dining area benefits from patio doors opening onto the landscaped rear garden and offers space for a 1-4 seater dining table.

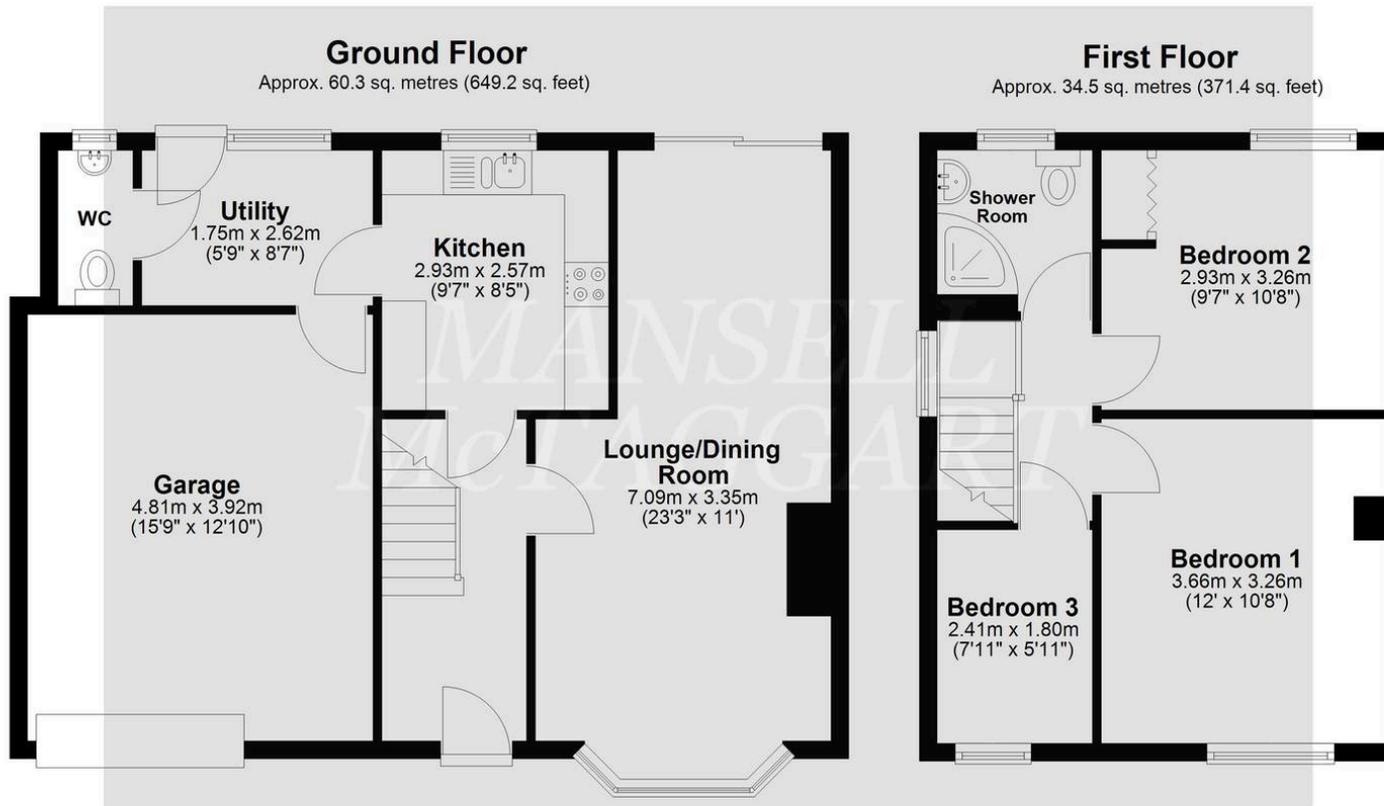

The kitchen is positioned at the rear of the property and is fitted with a range of wall and base units, worktops, a sink unit, built in gas hob, oven and grill, with integrated dishwasher and fridge. A door leads through to the utility room, which provides space for washing machine and tumble dryer, space for fridge/freezer, storage cupboard, along with access to the garage and rear garden. A ground-floor cloakroom comprises a WC and a wash hand basin and is partially tiled.

Upstairs, the landing is bright and airy, benefiting from a large window. The loft is accessed from the landing and is partially boarded. The airing cupboard houses hot water emersion through the second bedroom. There are two good-sized double bedrooms and a further single bedroom with ample space for freestanding furniture. The family bathroom features an obscured rear window, a shower cubicle, a wash hand basin with storage beneath, a WC, a heated towel rail, and is tiled.

The garage is one-and-a-half-width with an up-and-over door with light and power, water and a tap at the back of the property on the patio. The rear garden has been thoughtfully landscaped, with a patio area directly behind the property, steps leading up to a lawn bordered by well-maintained flowerbeds on three sides. Further steps lead to a sunny seating area with an ornate wooden trellis, all enclosed by wooden panel fencing.

Total area: approx. 94.8 sq. metres (1020.6 sq. feet)
