In Lacey Green there is a public house, village hall and a C of E primary school. The Chiltern train line can be accessed from Princes Risborough, about three miles away with regular services to London Marylebone (from 39 minutes).

Set in an elevated position with stunning, far-reaching countryside views, this detached and versatile home offers three to four bedrooms arranged across both floors, making it well suited to multigenerational living or those looking to simplify without compromising on space.

The ground floor is thoughtfully laid out, beginning with an entrance hall with built-in storage. The kitchen/dining room was refitted in 2024 and features stone worktops, handleless soft-close units with oak detailing to the larder cupboard, and integrated appliances including fridge, freezer, dishwasher, oven, microwave and induction hob. The utility room was refitted in 2025 and features an integrated freezer, washing machine and water softener. Also on this level is a bedroom with a luxuriously appointed ensuite shower room - refitted in 2025, a triple-aspect sitting room enjoying open views, a study or additional bedroom, and a conservatory overlooking the garden and surrounding countryside.

Upstairs are two generous double bedrooms, including the principal bedroom with a pocket door opening to a dedicated dressing room. The second bedroom is accessed via its own dressing room, providing a flexible and private arrangement. A refitted four-piece bathroom (2025), completed as part of a recent programme of modern enhancements, serves the first floor. The property further benefits from LED recessed lighting, insulation and double glazing throughout.

Outside, the wrap-around gardens include stocked beds, lawned areas, a raised deck positioned to take full advantage of the panoramic views, and a further patio area. Additional features include a garage, driveway parking for up to four cars and garden sheds. There is also access to a network of rural footpaths from the doorstep.
