A 4 bedroom detached Turner style house occupying an elevated 0.3 acre plot towards the end of this highly desirable cul-de-sac with large gardens and offering tremendous potential for reconfiguration/extending if required STPP.

The house was built in the late 1940s and has been extended to the side and the loft partly converted and could easily be enlarged further to create a perfect family layout. The owners bought the house 17 years ago when they replaced the kitchen and more recently have replaced the 2 bathrooms and present the house for sale in immaculate and neutral decorative order but would now benefit from some minor updating.
