THE LOCATION

Treveryn Parc is located in Budock Water where there is a strong sense of community in the village, with occupants of all ages and some glorious countryside and walks all around. Just down the road is the Trelowarren Arms public house and CJ's At The Sanctuary, a family run restaurant, set within a former Methodist Chapel, which is getting some rave reviews and has a wonderful looking menu. The property lies en route to Mawnan Smith and the Helford River, about 2 and 4 miles away respectively, whilst Falmouth harbour town is just 2.5 miles. Falmouth town and its harbourside has an eclectic mixture of national shops and independents, together with galleries showcasing local arts and crafts, as well as great places to eat and drink. Falmouth's seafront, is on the town's southern side, with sandy beaches, Henry VIII's Pendennis Castle and access to incredible walks and scenery along the Southwest Coastal Path. Train stations (Falmouth Town and Penmere Halt) provide a convenient link to the mainline at Truro for Exeter and London, Paddington. There are five primary schools and one secondary school in the town and highly regarded independent preparatory and senior schools in Truro. Falmouth boasts the third largest natural harbour in the world and is renowned for its maritime facilities which offer some of the best boating and sailing opportunities in the country; little wonder the town is consistently ranked as one of the top five places to live in the UK.

THE PROPERTY - Located in the centre of the village and occupying an elevated position with far reaching countryside views. Very quiet with no passing traffic due to the cul-de-sac location. The property was built in the late 1970's and therefore much larger than what is offered today by new-build developments. There is a large sitting room and kitchen and two good-sized double bedrooms. All is neutrally painted and well-kept by our vendors, who have owned the property for over 25 years. There are terraced gardens to front and rear and to the side a new bunded oil-tank has been installed. Number 4 is now being sold with no onward chain and quite a nice example in this popular village. There are some steps to the bungalow which means it may not suit those with mobility issues (do watch our detailed walk-through, talk-through video tour).
