An exceptional ground-floor apartment offering spacious, versatile accommodation, ideal as a main residence or a convenient lock-up-and-leave home.

Situated within a prestigious development of just five homes, the property stands on approximately 0.4 acres of mature, attractively landscaped, predominantly south-facing communal gardens, located on one of the city's most sought-after tree-lined residential roads on the north side.

The apartment benefits from easy access, high ceilings and bright south-facing reception rooms, creating a wonderful sense of space and natural light throughout. A security entry phone system leads to the communal entrance hall. There is a lift to all floors including the store room for the flat at the top of the building.

The accommodation comprises a spacious hallway with glazed double doors opening into a well-proportioned sitting room, featuring French doors that open onto a private patio with direct access to the communal gardens beyond. Double doors from the sitting room lead to a separate dining room, ideal for entertaining.

Adjacent to the dining room is a fitted kitchen with classic shaker-style units, complete with integrated Neff double oven, four-ring electric hob, dishwasher, fridge and freezer. A separate utility room provides a sink unit and plumbing for a washing machine.

The principal bedroom features a dressing area with built-in wardrobes and a full en-suite bathroom. A bidet is currently installed, however, the fittings for a shower remain in situ should this be preferred. There are two further double bedrooms, one of which is currently used as a study, along with a contemporary shower room featuring a walk-in shower cubicle.

All external doors and windows have been replaced from wood to aluminium approximately three years ago.

Outside, a block-paved driveway extends to the side of the building, leading to a rear garage block. The property includes a single garage with an electric up-and-over door, along with a private parking space positioned in front of the garage.
