The first floor balcony extends the living space outdoors and offers picturesque views over the surrounding estate. There is also a paved driveway leading to the garage, providing convenient off-street parking.

The location within a private estate ensures a sense of peace and security, while the proximity to the beach and local amenities makes this an exceptional opportunity for those seeking a coastal lifestyle. This outstanding detached house combines elegant interiors with generous outside space, making it an ideal choice for families or anyone looking for a special home by the sea.

Craigweil-on-Sea is a prestigious private marine estate, known locally for its Royal connections with King George V's visit whilst convalescing in 1929. Like Aldwick Bay, when the development first commenced, it was very much aimed at town dwellers seeking a quality seaside residence and the retired wishing to reside in a peaceful neighbourhood. Today, however, it is probably best described as 'One of the best kept secrets along the South Coast'. Craigweil offers discerning purchasers the opportunity to live in an exclusive residential setting, steeped in mature tree lined avenues with a residents private beach access. The Cathedral City of Chichester is about seven miles and Bognor Regis is about two miles.
