Warren Avenue

Knutsford

This immaculate property has been significantly enhanced over the years by the current owners, with a comprehensive programme of improvements including a new roof, upgraded double glazing, replacement internal and external doors, cavity wall insulation, and a modern boiler. The appealing corner position also offers exciting potential for further extension, subject to the necessary planning consents.

The accommodation is both spacious and flexible, briefly comprising a welcoming entrance hallway leading to a stunning dual-aspect living dining room, flooded with natural light and featuring French doors opening onto the rear garden, perfect for both everyday living and entertaining. The extended breakfast kitchen is well-appointed and thoughtfully designed, complemented by a downstairs W.C and access to the gardens.

A particularly noteworthy addition is the side extension, which creates a versatile fourth bedroom suite complete with a stylish en-suite shower room, ideal for guests, multi-generational living, or a private home office.

Warren Avenue

Knutsford

To the first floor are three well-proportioned bedrooms, two generous doubles and a larger than average third bedroom (approximately 8ft x 9ft max). These are served by an impressive, contemporary style 3-piece family bathroom, featuring a separate walk-in double shower. Externally, the property continues to impress, with beautifully maintained, fully enclosed gardens offering a good degree of privacy. A pleasant patio seating area provides the perfect space for outdoor dining, while mature borders, established hedging, with fencing enhances both the setting and seclusion.

Positioned within a sought-after, family-friendly cul-de-sac, the property enjoys a prime location within walking distance of The Heath, vibrant town centre, and a selection of excellent schools. In summary an excellent opportunity to acquire a 'key turn' property with no onward chain.
