ABOUT THIS PROPERTY:

A well maintained communal entrance with lift access leads to the first floor, where the apartment opens into a notably wide and welcoming hallway that immediately establishes the scale of the accommodation.

The principal reception space is arranged as a large sitting room flowing openly through to a separate dining area, creating a layout that feels both sociable and comfortably proportioned. Full height glazed doors open directly onto the south facing balcony, which has a particularly green and peaceful outlook over the surrounding trees and established gardens. The positioning of the balcony allows for sheltered outdoor seating and late afternoon light through the reception rooms. The kitchen is arranged separately with generous preparation space, ample storage and room for informal dining. Large windows continue the connection with the surrounding greenery, softening the practical layout with natural light. Bedroom accommodation is thoughtfully separated from the main living spaces. The principal suite is especially generous, incorporating fitted wardrobes and a large ensuite bathroom with both bath and separate shower. Two further double bedrooms are served by a family bathroom, offering flexibility for guests, study use or longer term visiting family.

LOCATION:

Carlton Gate sits well back from Balcombe Road behind a long tree lined approach, creating an immediate sense of calm rarely associated with apartment living. Branksome Park remains one of the South Coast's most desirable residential addresses, valued for its combination of mature landscaping and beach accessibility. Balcombe Road sits conveniently between Canford Cliffs Village and Westbourne, both offering a well regarded collection of cafés, restaurants, independent shops and everyday amenities. Branksome Chine and the award winning beaches beyond are approximately 0.8 miles away, with wooded chine walks providing a quieter approach to the coastline. The area is also well positioned for access to Poole Harbour, Parkstone Golf Club and the marina environment around Lilliput and Sandbanks. Branksome railway station offers direct services to London Waterloo in approx. two hours, making the area equally practical for permanent occupation or a coastal second home.
