On approach to the home, you will see the mature front garden with a host of attractive flowers and shrubs. You also notice the multi-vehicle driveway and garage with electric up & over door. Entering the home, you are greeted by a spacious hall, leading to the cloakroom, kitchen, living room and stairs to first floor. The living room is toward the front of the home, easily accommodating family sofas and freestanding furniture, with a window to front allowing in lots of natural light. A doorway leads to the dining room.

Equally well proportioned, there is space for a 6 person dining table and freestanding furniture, with a window overlooking the rear garden. Adjoining is the kitchen, although in need of modernisation, it is functional with a host of wall and base units, ample workspace, breakfast bar and a door to rear. Completing the downstairs, is the cloakroom, which is a great size, with expected sanitaryware and houses the boiler alongside a generous storage cupboard. This is a great size, and could be remodelled into a downstairs shower room
