Naphill is a sought-after Chilterns village, surrounded by beautiful countryside and the extensive Naphill Common, ideal for walking and outdoor pursuits. The village offers pubs, a community hall, café and Naphill and Walters Ash Primary School, while nearby High Wycombe and Princes Risborough provide wider amenities and rail links to London Marylebone. The village is also served by a regular bus route connecting Aylesbury, Princes Risborough and High Wycombe.

Penwood is an individual four-bedroom detached bungalow that has undergone an extensive programme of refurbishment, remodelling and extension over the past five years, creating a modern and versatile home.

The property now offers a spacious open-plan dual-aspect kitchen/dining room, sitting room, four double bedrooms and a study/optional fifth single bedroom, together with two contemporary shower rooms and a utility room accessed from the garden behind the single garage.

Externally, the property benefits from a dual driveway providing off-street parking for up to four vehicles, while the enclosed rear garden spans the full width of the property and features two Indian sandstone patio areas, lawned sections, decorative landscaping and gated side access.

Further improvements include updated electrics and central heating, new slate-effect roof tiles, UPVC double glazing throughout, LED recessed lighting, LVT flooring, and a boarded loft with ladder and lighting providing additional storage.

Constructed with an attractive old stock brick exterior beneath slate-effect roof tiles, Penwood occupies a semi-rural lane location with direct access to Naphill Common, designated as a Site of Special Scientific Interest (SSSI) within an Area of Outstanding Natural Beauty (AONB).
