A fantastic opportunity to purchase a four double bedroom detached chalet style house, built by Wates to their popular 'Dormy 308' design, situated in a quiet position around a green off Buckswood Drive. This versatile property is offered to the market with no onward chain with early viewings highly recommended.

Entry to the home is via a secure side gate and front door leading into a welcoming sun room with direct access to both the rear garden and garage, whilst providing an ideal relaxing seating area. A separate external door then grants access into the house where you are greeted by the entrance hallway. Here you are drawn to a wealth of natural light flooding in from the south facing aspect to front with stairs leading to the first floor and a recessed area beneath. The living room offers a wonderful outlook via a bay window over a mature green within this peaceful crescent. A feature Italian Carrara marble fireplace creates a focal point within the room. There is also ample room for a couple of larger sofas to accommodate growing families. Double doors lead into the separate dining room which can comfortably hold a six seater dining table and chairs, again capturing those lovely views to the front. The kitchen is accessible from either the living room or dining room, which could in turn be knocked through to create an open plan kitchen/diner, if preferred. There is a wide range of wall and base units incorporating cupboards and drawers with work surfaces over and space for free standing white goods. The back door leads to a covered side return creating further access to the front and rear gardens.

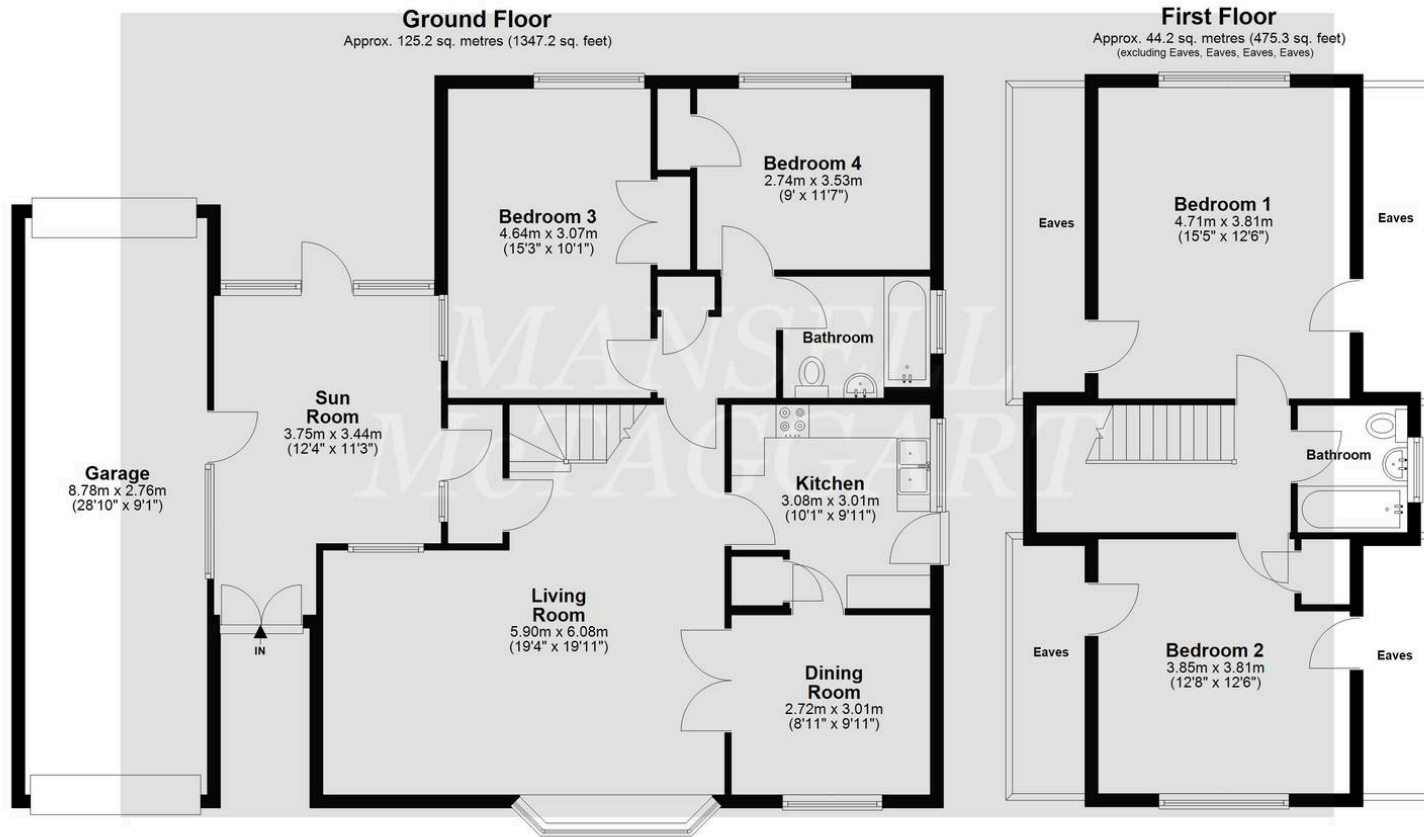

An inner lobby with a useful storage cupboard leads to two double bedrooms located on the ground floor, both of which overlook the rear garden, and both come with built in wardrobes. There is a bathroom completing the downstairs accommodation, which comprises panelled bath, pedestal wash hand basin, WC and opaque window to side. Agents note: There is original parquet flooring in the hallway, living room and dining room beneath carpets, which can be revealed, if desired.

Heading upstairs, the first floor landing has access to the loft as well as two further bedrooms and family bathroom. There are far reaching views from the front bedroom to distant forest. Both bedrooms are generous double rooms and both come equipped with two points of eaves access, providing storage, and can be further extended subject to necessary planning consents. Finally, the family bathroom is fitted in a white suite comprising a panel enclosed bath, low level WC, wash hand basin with vanity storage and opaque window to side.

Outside, the front of the property offers a private driveway to provide off-road parking for at least two vehicles leading to a tandem garage with up and over doors to the front and rear garden, plus the addition of power and light. The remainder of the front is laid to lawn with mature planted borders and has gated access to both sides of the house. The rear garden offers a largely secluded outlook with a variety of mature trees and colourful evergreen flowering shrubs providing plenty of screening, all year, enclosed by wooden panel fencing. There is an area of elevated lawn with a lower level patio abutting the foot of the home.

Total area: approx. 169.3 sq. metres (1822.6 sq. feet)
