Situated on the sought-after Hamilton Road in High Wycombe, this substantial four-bedroom detached home presents an outstanding opportunity for owner-occupiers, developers and investors alike. Extending to approximately 1,769 sq ft, the property offers generous and versatile accommodation including a spacious sitting room, separate dining room, kitchen/breakfast room, utility room, four well-proportioned bedrooms, family bathroom, garage and additional store, providing an ideal foundation for modern family living. The property previously had planning permission granted for demolition of the existing single garage and erection of new one and a half width garage with study which has since expired. Hamilton Road is ideally positioned within easy reach of High Wycombe town centre, offering an extensive range of shops, restaurants, cafés and leisure facilities, together with the Eden Shopping Centre. The property is ideally situated for families, with a range of well-regarded primary and secondary schools nearby, including the highly regarded Wycombe High School and The Royal Grammar School, as well as the prestigious independent schools Wycombe Abbey and Godstowe as well as access to nearby parks and open countryside. The location is particularly attractive to commuters, with High Wycombe railway station approximately 1 mile away, providing regular direct services to London Marylebone in around 30 minutes. Excellent road links via the A404, M40 and A40 further enhance connectivity across Buckinghamshire and the South East.

From an investment perspective, the property's generous layout offers potential for a high-quality family rental or, subject to any necessary consents and licensing requirements, a house in multiple occupation (HMO), making it an appealing proposition for landlords seeking strong long-term rental demand.

Please note: A portion of the rear garden has been sold separately for development. At the time the marketing photographs were taken, the new boundary fence had not yet been erected. Accordingly, the extent of the garden included in the sale is indicated by the red line shown on the photographs contained within the marketing particulars.
