With a new kitchen and bathroom, new flooring and carpets and neutral decoration throughout, virtually everything has been done, making this an ideal home for anyone looking to simply move in and enjoy.

The front door opens into a hallway with stairs rising to the first floor. To one side is the newly fitted kitchen/dining room, finished with white Shaker-style units, contrasting worktops and a tiled splashback. There is an integrated oven and hob, space for a washing machine and dishwasher, and a door providing access outside.

To the rear is a particularly spacious sitting/dining room, providing plenty of room for both comfortable seating and a dining table. French doors open directly onto the rear garden, bringing plenty of natural light into the room and providing an easy connection between inside and out. A useful downstairs WC completes the ground-floor accommodation.

Upstairs are two well-proportioned double bedrooms, both newly carpeted and neutrally decorated. They are served by the newly fitted bathroom, with a modern white suite with bath with shower over, contemporary chic tiling and a heated towel rail.

Outside

To the rear, the enclosed garden provides a good-sized outside space with a newly laid paved terrace immediately adjoining the house and an area of lawn beyond. There is also outside space to the front and side of the property with driveway parking for several cars.

The property also benefits from solar panels and is offered for sale with **no onward chain**.
